

I trust the
unfolding
and stay
rooted in my
knowing.

1

I am already
whole. I am
just
remembering.

2

My desires are
not delusions,
they're divine
assignments.

3

I no longer
chase. I
magnetize.

4

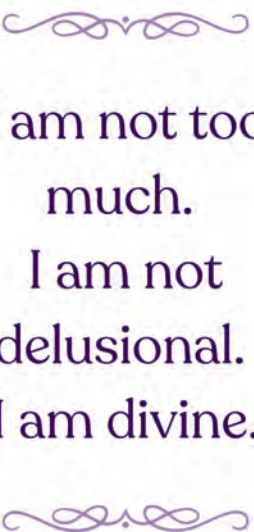

Even life's
plot twists
are part of
my healing &
becoming.

5

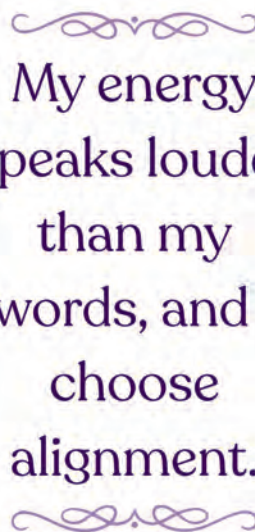

I nurture
my
intentions
with
patience,
not doubt.

6

I am not too
much.
I am not
delusional.
I am divine.

7

My energy
speaks louder
than my
words, and I
choose
alignment.

8

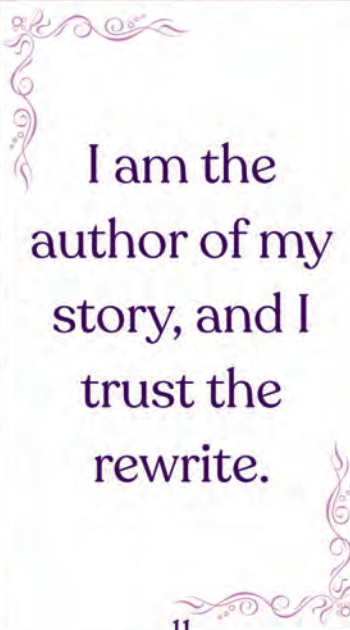

I no longer
live in
someone
else's fear.

9

I create
micro-
moments of
magic, every
single day.

10

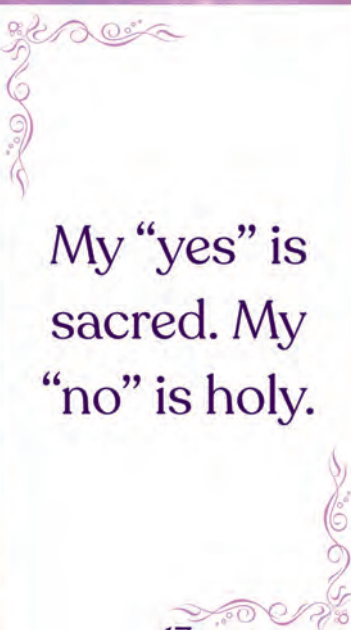

I am the
author of my
story, and I
trust the
rewrite.

11

I carry the
best parts of
me, love
didn't give
them to me,
it revealed
them.

12

My "yes" is
sacred. My
"no" is holy.

13

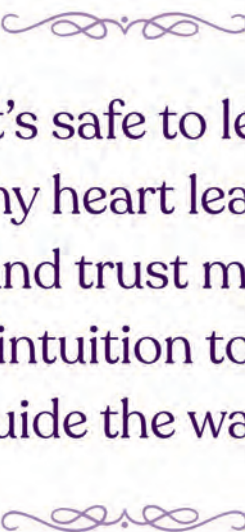

I don't have
to earn rest.
I am allowed
to receive it.

14

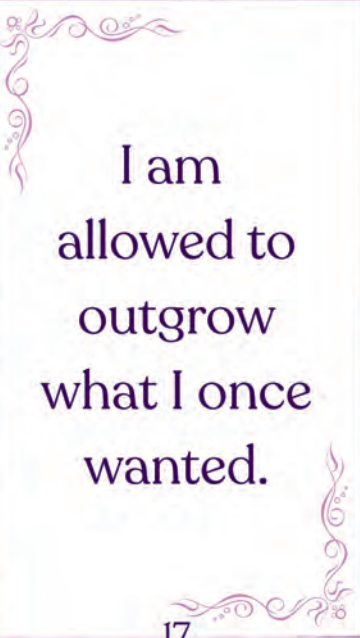

I rise with the
version of me
I now choose.

15

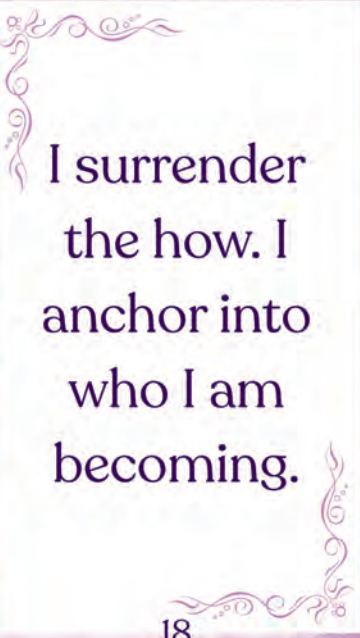

It's safe to let
my heart lead
and trust my
intuition to
guide the way.

16

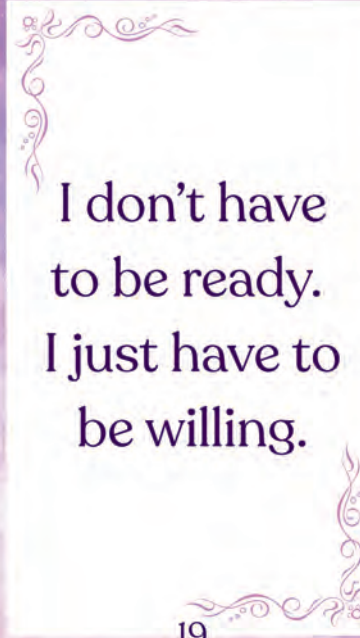

I am
allowed to
outgrow
what I once
wanted.

17

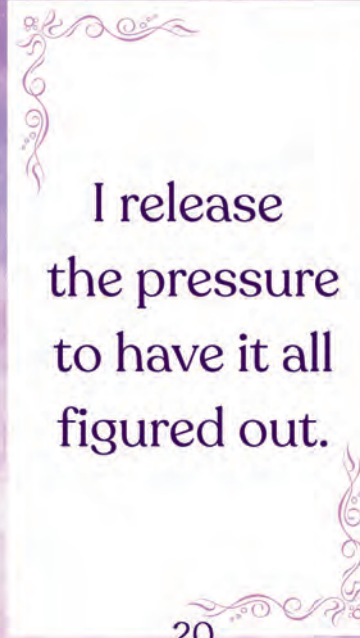

I surrender
the how. I
anchor into
who I am
becoming.

18

I don't have
to be ready.
I just have to
be willing.

19

I release
the pressure
to have it all
figured out.

20

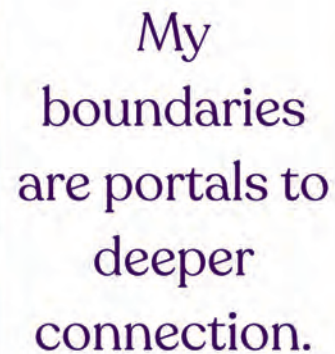

The Universe
hears me.
The Universe
holds me.

21

Love
doesn't
have to wait.
I let it in,
even now.

22

My
boundaries
are portals to
deeper
connection.

23

I am the one
the Universe
listens to now.

24

I choose to
see
wildflowers
instead of
weeds.

25

I walk with
faith and
co-create
with grace.

26

When I'm
grounded, I
hear my soul
clearly.

27

I no longer
fear the quiet.
I trust love to
hold me, even
in silence.

28

Every choice
I make is a
spell I'm
casting.

29

I don't need to
be chosen.
I already
belong to
myself.

30

I no longer
mistake
discomfort
for danger.

31

My truth
doesn't need
permission to
shine.

32

I receive the
version of life
I used to only
dream of.

33

I trust the
timing, even
when I don't
understand it.

34

I am not
behind.
I'm blooming
at the right
time.

35

I speak to my
soul with
softness and
strength.

36

Every
breath is a
chance to
begin again.

37

I anchor into
the version
of me who
already
knows.

38

It's not too
late. I'm not
too far gone.

39

My healing is
sacred, even
when it's
messy.

40

I listen for
the whispers,
not the
noise.

41

I choose
courage, not
control.

42

I don't have
to force,
I get to allow.

43

My energy
is my
responsibility
& my power.

44

The life I
crave
is craving
me, too.

45

I'm allowed
to evolve
without
explanation.

46

I let go of
perfection
& trust my
presence
instead.

47

I no longer
hold what
isn't mine
to carry.

48

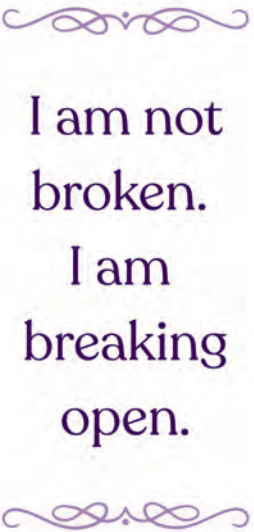

I speak my truth, even if my voice trembles.

49

I return to myself, again and again.

50

I am not broken.
I am breaking open.

51

I let what's real rise & release what no longer serves.
